Form RI-1040ES

Rhode Island Resident and Nonresident Estimated Payment Coupons

PURPOSE OF FORM

This form provides a means of paying your Rhode Island income tax on a current basis on income other than salaries or wages subject to withholding. If you are entitled to a refund because the amount paid or credited as estimated tax for the taxable period exceeds your actual tax liability, you must file an income tax return to obtain the refund.

WHO MUST MAKE ESTIMATED PAYMENTS

Every resident and nonresident individual shall make estimated Rhode Island personal income tax payments if his or her estimated Rhode Island personal income tax can be reasonably expected to be \$250 or more in excess of any credits allowable against his or her tax, whether or not he or she is required to file a federal estimated tax for such year.

MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Taxpayers with modifications increasing or decreasing federal adjusted gross income may refer to Form RI-1040, schedule 1, lines 23C and 24C for examples of income to be entered as modifications.

JOINT RETURNS

A husband and wife may make joint payments as if they were one taxpayer, in which case the liability with respect to the estimated tax shall be joint and several. No joint payments may be made if husband and wife are separated under a decree of divorce or of separate maintenance. If joint payments are made but husband and wife determine their Rhode Island income taxes separately, the estimated tax, for such period may be treated as the estimated tax of either husband or wife, or may be divided between them, as they may elect.

CHANGES IN INCOME

Even though on April 15, 2006 you do not expect your tax to be large enough to require making estimated payments, a change in income may require you to make estimated payments later.

If you file your 2006 income tax return by February 15, 2007 and pay the full balance of tax due, YOU NEED NOT: (a) make an original estimated payment otherwise due for the

first time on January 15, 2007 or (b) pay the last installment of estimated tax otherwise due and payable on January 15, 2007.

HOW TO ESTIMATE YOUR TAX FOR 2006

Your 2006 estimated income tax may be based upon your 2005 income tax liability. If you wish to compute your 2006 estimated income tax, use the enclosed estimated tax worksheet.

WHEN AND WHERE TO MAKE ESTIMATES

Make your first estimated payment for the period January 1, 2006 through December 31, 2006, on or before April 15, 2006. It must be filed along with the payment due with the Division of Taxation, One Capitol Hill, Providence, RI 02908-5810.

PAYMENTS OF ESTIMATED TAX

The estimated tax on line 12 of the worksheet is payable as follows: 25% on or before April 15, 2006; 25% on or before June 15, 2006; 25% on or before September 15, 2006 and 25% on or before January 15, 2007.

AMENDED ESTIMATED PAYMENTS

If, after having paid one or more installments of tax, the taxpayer finds that his or her estimated tax should be increased or decreased by a change in income, he or she must file an amended estimate on or before the next filing date. If an amendment is made after September 15th of the taxable year any balance due should be paid at the time of filing the amendment. (SEE AMENDED ESTIMATED TAX SCHEDULE)

CREDIT FOR INCOME TAX OVERPAYMENT

Your credit for income tax overpayment from your 2005 Rhode Island income tax return may be deducted from the first installment of your 2006 estimated tax, and any excess credit from succeeding installments. However, if you desire to spread the credit, divide it by the number of installments and enter on line 19 of RI-1040ES worksheet.

CHARGE FOR UNDERPAYMENT OF INSTALLMENTS OF ESTIMATED TAX

An interest charge is imposed for underpayment of an installment of estimated tax. The Rhode Island income tax law follows similar provisions of the Internal Revenue Code with respect to exceptions. Such charge on any unpaid installment shall be computed on the amount by which the actual payments and

credits applied to the tax are less than 80% of such installment at the time it is due. If it appears that there was an underpayment of any installment of estimated tax, you may attach RI-2210 (if any of the exceptions apply) to your RI income tax return explaining why an additional charge should not be made.

PENALTIES

The law imposes penalties and interest charges for failing to pay estimated tax due or for making false or fraudulent statements.
