Please put the name of a contact person from the business entity in this section. Use the additional contact section below for an accountant's or other representative's name.
- **Additional Contact Information:** Complete this section only if wish to have someone else, for example, your accountant, bookkeeper, or a representative from one of the scholarship organizations, contact the Division of Taxation regarding your application. Due to confidentiality reasons, the Division of Taxation cannot give any information on your application to a third party without your authorization. Completing this section authorizes the Division of Taxation to speak to someone inquiring on your behalf.
- **Contribution Information:** Enter the name(s) of the Qualified Scholarship Organization to which you would like to make your contribution. Also, enter the amount per year you wish to contribute and whether you wish to make a contribution for one or two years. If all conditions are met, a one-year commitment results in a 75% credit, while a two-year commitment results in a 90% credit.
- **Tax Information:** Check off the applicable tax against which you will be using your credit.
- **Entity Member Information:** Complete this section only if your credit will be used against personal income taxes. Certificates will be issued in accordance with the listing provided with your application.
- **Optional Waiver:** Complete this waiver to allow the Scholarship Organizations qualified under this chapter to request from the Division of Taxation, your entity name, contribution amount and approval date. This information is intended to aid the Scholarship Organizations with their scholarship planning, but once the Division of Taxation releases this information, it will have no control over further release of this information.

#### **Approval Process**

- Submit your application to the Division of Taxation beginning on July 3, 2023. (Due to July 1<sup>st</sup> falling on a Saturday) Any application received prior to July 3, 2023, will be returned to the applicant.

- If your business entity is a pass-through entity and the credit will be used against personal income tax filings, please complete the worksheet on page 2 of the application. On the worksheet list all members, their complete social security numbers and their applicable credit percentages and/or credit amounts.
- Within 30 days of submittal, you will receive an approval or denial letter from the Division of Taxation.
- Upon approval, you have 120 days from the date of your approval letter to make your contribution to the scholarship organization(s) designated in your application. This date will be included in your letter. If you are unsure of what the date is, please contact [Tax.Credits@tax.ri.gov](mailto:Tax.Credits@tax.ri.gov).
- Upon denial, you will receive a letter stating the reason for the denial of your application.

#### **Making your Contribution**

- Upon receiving a letter approving its application, the entity has 120 days from the date of the approval letter to make its contribution. Refer to your letter for the date by which your contribution must be made.
- The contribution **must** be made by the approved entity, **not by** any of the individual members and **not by** a related entity.
- The contribution should be sent directly to your intended scholarship organization(s). The contribution must be made to the scholarship organization(s) and not to an individual school or student.
- **If you are approved for a two-year contribution, you must contribute at least eighty percent (80%) of the first-year contribution for your second-year contribution. Otherwise, the credit for both the first and second year contributions shall be equal to seventy-five percent (75%) of each year's contribution. In such case, the tax administrator shall prepare the tax credit certificate for the second year at seventy-five percent (75%). The difference in credit allowable for the first year  $[90\% - 75\% = 15\% \times \text{first year contribution}]$  shall be recaptured by adding it to the taxpayer's tax in that year.**

#### **If you are unable to make your Contribution**

- If you have been approved to make either a one-year or two-year contribution and are unable to make your required contribution(s), please notify the Division of Taxation as soon as possible.
- Notifying the Division of Taxation, in most cases, allows us to offer the credits to an applicant that was not approved so that a contribution can still be made to one of the approved scholarship organizations (SGOs).

#### **Certification Process**

- Once you make your contribution, you must apply to the Division of Taxation for your tax credit certificate(s).
- Be sure to request your tax credit certificate in time to be included with your tax filing.

- You must submit certification from an independent Rhode Island certified public accountant that the cash contribution has been made to the scholarship organization(s) designated in your application and that the contribution was made timely.

An entity cannot certify its own contribution, nor can an employee of the entity do so.
  - This CPA certification must be sent to the attention of the **Forms, Credits & Incentives Section**.

#### **Use of credit certificate on tax filing**

- You must attach the original certificate to the tax return on which you are claiming the credit.
- If you file your tax return electronically, the original certificate must be sent into the attention of the Forms, Credits & Incentives Section in order to receive credit. Filing electronically does not eliminate the requirement of submitting the original certificate.
- Certificate copies and/or copies of your application approval letter cannot be accepted in place of the original certificate.
- Credit under this program can only be used in the year in which the contribution was made.
- Unused credit amounts cannot be carried forward for use on future tax returns.

### **SGO's Responsibilities**
