ESTIMATED VOUCHER INSTRUCTIONS FOR GROSS PREMIUM INSURANCE TAX

1. Every Insurance Company who is liable for gross premium tax shall file a declaration of its estimated tax for the calendar year, if its estimated tax for such calendar year can reasonably be expected to exceed $500.00. The entire amount of such estimated tax shall constitute the amount of advance required to be paid.

   The due dates and amounts of the installments are as follows:
   March 15th  (40% of total estimated tax due)
   June 15th    (60% of total estimated tax due)

2. There is required and addition to the tax of 12% per annum for underpayments and penalties for the willful neglect or failure to file a declaration or pay any installment due thereunder.

NOTE

When there is not an increase in the tax rate from one year to the next, no interest or penalty will occur for underestimated tax payment if prepayments are made equal to the prior year’s tax.
