FORM RI - 1065 GENERAL INSTRUCTIONS FOR 2000 PARTNERSHIP INCOME INFORMATION RETURN

WHO MUST FILE

Every partnership having any income derived from sources in Rhode Island must file a RI-1065 return for the taxable year. No tax is imposed on a partnership, but each partner is required to include in his or her Rhode Island individual income tax return his or her distributive share of the partnership net income for the partnership taxable year. The entire distributive share of the partnership net income is taxed to the partner whether or not such income is actually distributed.

PERIOD COVERED BY THE RETURN

The partnership taxable year shall be the same as the federal taxable year.

WHEN AND WHERE TO FILE

The return should be filed on or before the 15th day of the fourth month following the close of the partnership taxable year. Mail

your return to the Division of Taxation, One Capitol Hill, Providence, Rhode Island 02908-5801.

WHOLE DOLLAR AMOUNTS

The money items may be shown as whole dollar amounts. Any amount under 50 cents may be eliminated and any amounts 50 cents through 99 cents increased to the next highest dollar.

REPORT OF CHANGE IN FEDERAL TAXABLE INCOME

If the amount of the federal taxable income is changed or corrected by the federal government the partnership must report to the Rhode Island Division of Taxation such change or correction within 90 days after the final determination is made. Any partnership filing an amended income tax return must also file within 90 days thereafter an amended Rhode Island return.

TECHNICAL ASSISTANCE

If you have any questions regarding the preparation of the return, assistance may be obtained at the Division of Taxation, One Capitol Hill, Providence, Rhode Island 02908-5801.

SIGNATURE

A partner must sign the Rhode Island Partnership Form RI-1065. Any person who prepares a return must also sign. If the return is prepared by a firm or corporation it should be signed in the name of the firm or corporation.

WHERE TO GET FORMS

Form RI-1065 and instructions may be obtained from the Division of Taxation.

SPECIFIC INSTRUCTIONS

Print or type the required information in the address box at the top of Page 1. Enter the federal identification number in the space provided to the right of the address box--Rhode Island does not have its own identification number.

Line 1.

You should check the **yes** block and complete Schedules A and B if the partnership had income exempt from federal income tax but taxable by Rhode Island law. Such income would be income from obligations of states and their political subdivisions, other than

Rhode Island. For example, interest from City of New York bonds while exempt from federal taxation is taxable by Rhode Island. However, interest from Rhode Island (or a political subdivision thereof) bonds is exempt from the Rhode Island income tax, as well as federal.

Line 2.

Line 3a. & Line 3b.

If the partnership derives income from R.I. sources and has nonresident partners you should check the yes block(s) and complete Schedule B.
