If you filed your return on or before February 15, 2009 and paid the tax balance in full, then enter that amount in column D. This only applies to those taxpayers who either were not required to make a Rhode Island estimated tax payment prior to the January 15, 2009 installment date or included their January 15, 2009 installment payment with the tax balance paid on or before February 15, 2009.

Line 17 - Subtract line 16 from line 15 for any underpayments. Subtract line 15 from line 16 for any overpayments. Any overpayments on line 17 should be used to increase the amount entered on line 16 for the next installment period. However, if you entered amounts on line 14, annualized income installments, and the amounts on line 17 are zero ($0) or less for all installment periods, then enter zero ($0) on line 21 and file this form with your return.
