#### **GENERAL INSTRUCTIONS**

If you are filing a Rhode Island income tax return and claiming a property tax relief credit, attach RI-1040H to your Rhode Island income tax return. Your property tax relief credit will decrease any income tax due or increase any income tax refund. If you are not required to file a Rhode Island income tax return, Form RI-1040H may be filed without attaching it to a Rhode Island income tax return.

#### WHO MAY QUALIFY

To qualify for the property tax relief credit you must meet all of the following conditions:

- a) You must have been a legal resident of Rhode Island for the entire calendar year 2009.
- b) Your household income must have been \$30,000.00 or less.
- c) You must have lived in a household or rented a dwelling that was subject to property taxes.
- d) You must be current on property tax due on your homestead for all prior years and on any current installments.

#### WHO MAY CLAIM CREDIT

If you meet all of the qualifications outlined above, you should complete Form RI-1040H to determine if you are entitled to a credit.

Only one person of a household may claim the credit.

The right to file a claim does not survive a person's death; therefore a claim filed on behalf of a deceased person cannot be allowed. If the claimant dies after having filed a timely claim, the amount thereof will be disbursed to another member of the household as determined by the Tax Administrator.

#### WHEN AND WHERE TO FILE

Your property tax relief claim should be filed as soon as possible after **December 31, 2009**. However, no claim for the year 2009 will be allowed unless such claim is filed by **April 15, 2010**. However, an extension for filing may be allowed at the Tax Administrator's discretion for sickness, absence or other disability. Mail your property tax relief claim to the Rhode Island Division of Taxation - One Capitol Hill - Providence, RI 02908-5806.

#### **IMPORTANT DEFINITIONS**

What is meant by "homestead" - The term "homestead" means your Rhode Island dwelling, whether owned or rented, and so much of the land around it as is reasonably necessary for the use of the dwelling as a home, but not exceeding one acre. It may consist of a part of a multi-dwelling, a multi-purpose building or another shelter in which people live. It may be an apartment, a houseboat, a mobile home or a farm.

What is meant by a "household" - The term "household" means one or more persons occupying a dwelling unit and living as a single nonprofit house-keeping unit. Household does not mean bona fide lessees, tenants or roomers and borders on contract.

What is meant by a "dependent" - The term "dependent" means any person living in the household who is under the age of 18 who can be claimed by someone else on their tax return.

What is meant by "household income" - The term "household income" means all income received both taxable and nontaxable by all persons of a household in a calendar year while members of the household.

What is meant by "rent paid for occupancy only" - The term "rent paid for occupancy only" means the gross rent paid only for the right of occupying your homestead. If you rented furnished quarters, or if utilities were furnished, such as heat, electricity, etc., then you must reduce the amount of gross rent by the reasonable rental value (not cost) of the furniture and the reasonable value of such utilities as were furnished.

#### LIMITATIONS ON CREDIT

Under the provisions of Section 44-33-16, a claim for relief shall exclude all taxes or rent paid with public assistance funds. The maximum amount of credit allowable under Chapter 44-33, Property Tax Relief Act, for calendar year 2009 is \$300.00. In event that more than one person owns the residence, the taxes will be divided by the owner's share.

#### **RENTED LAND**

If you live on land that is rented and your home or trailer is subject to property tax. Multiply the amount of rent you paid in 2009 by 20% and add the amount to the property tax paid. Then enter the total on RI-1040H, line 10. Example:

Rent (3,600 X 20%)	720.00
Property Tax	+ 2,000.00
Amount to be entered on line 10	2 720 00

### 2009 INSTRUCTIONS FOR FILING RI-1040

### **GENERAL INSTRUCTIONS**

This booklet contains returns and instructions for filing the 2009 Rhode Island Resident Individual Income Tax Return. Read the instructions in this booklet carefully. For your convenience we have provided "line by line instructions" which will aid you in completing your return. Please print or type so that it will be legible. Check the accuracy of your name(s), address and social security number(s).

Most resident taxpayers will only need to complete the first two pages of Form RI-1040. Those taxpayers claiming modifications to federal adjusted gross income must complete RI Schedule I. Taxpayers claiming a credit for income taxes paid to another state must complete page 2, schedule III.

Nonresidents and part-year residents will file their Rhode Island Individual Income Tax Returns on Form RI-1040NR.

### Complete your 2009 Federal Income Tax Return first

It is the basis for preparing your Rhode Island income tax return. In general, the Rhode Island income tax is based on your federal taxable income.

Accuracy and attention to detail in completing the return in accordance with these instructions will facilitate the processing of your tax return. You may find the following points helpful in preparing your Rhode Island Income Tax Return.

#### WHO MUST FILE A RETURN

**RESIDENT INDIVIDUALS** – Every resident individual of Rhode Island required to file a federal income tax return must file a Rhode Island individual income tax return (RI-1040 or RI-1040S).

A resident individual who is not required to file a federal income tax return may be required to file a Rhode Island income tax return if his/her income for the taxable year is in excess of the sum of his/her federal personal exemptions.

"Resident" means an individual who is domiciled in the State of Rhode Island or an individual who maintains a permanent place of abode in Rhode Island and spends more than 183 days of the year in Rhode Island.

For purposes of the above definition, domicile is found to be a place an individual regards as his or her permanent home – the place to which he or she intends to return after a period of absence. A domicile, once established, continues until a new fixed and permanent home is acquired. No change of domicile results from moving to a new location if the intention is to remain only for a limited time, even if it is for a relatively long duration. For a married couple, normally both individuals have the same domicile.

Any person asserting a change in domicile must show:

- (1) an intent to abandon the former domicile,
- (2) an intent to acquire a new domicile and
- (3) actual physical presence in a new domicile.

#### JOINT AND SEPARATE RETURNS

JOINT RETURNS: Generally, if a husband and wife file a joint federal income tax return, they also must file a joint Rhode Island income tax return. However, if either the husband or the wife is a resident and the other is a non-resident, they must file separate returns, unless they elect to file a joint return as if both were residents of Rhode Island. If

the resident spouse files separately in RI and a joint federal return is filed for both spouses, the resident spouse must compute income, exemptions and tax as if a separate federal return had been filed.

If neither spouse is required to file a federal income tax return and either or both are required to file a Rhode Island income tax return, they may elect to file a ioint Rhode Island income tax return.

Individuals filing joint Rhode Island income tax returns are both equally liable to pay the tax. They incur what is known as "joint and several liability" for Rhode Island income tax.

**SEPARATE RETURNS:** Individuals filing separate federal income tax returns must file separate Rhode Island income tax returns.

#### **UNEMPLOYMENT COMPENSATION**

Individuals receiving unemployment compensation must include as a modification increasing Federal AGI, the amount of unemployment compensation not reported on Federal Form 1040, line 19. This amount should not be more than \$2,400 per unemployment compensation recipient.

### SALES TAX ON QUALIFIED MOTOR VEHICLE PURCHASE

Individuals who itemized deductions and included the sales tax paid on the purchase of a qualified motor vehicle during 2009 must include as a modification increasing Federal AGI, the amount of sales tax included on Federal Schedule A, Itemized Deductions.

#### **MILITARY PERSONNEL**

Under the provisions of the Soldiers and Sailors Civil Relief Act, the service pay of members of the armed forces can only be subject to income tax by the state of which they are legal residents. Place of legal residence at the time of entry into the service is normally presumed to be the legal state of residence and remains so until legal residence in another state is established and service records are changed accordingly. The Rhode Island income tax is imposed on all the federal taxable income of a resident who is a member of the armed forces, regardless of where such income is received.

Military pay received by a nonresident service person stationed in Rhode Island is not subject to Rhode Island income tax. This does not apply to other income derived from Rhode Island sources, e.g., if the service person holds a separate job, not connected with his or her military service, income received from that job is subject to Rhode Island income tax.

In addition, under the provisions of the Military Spouses Residency Relief Act, income for services performed by the servicemember's spouse can only be subject to income tax by the state of which they are legal residents, regardless of where such income is received. However, other income derived from Rhode Island sources such as business income, ownership or disposition of any interest in real or tangible personal property and gambling winnings are still subject to Rhode Island income tax.

Internal Revenue Code provisions governing armed forces pay while serving in a "combat zone" or in an area under conditions that qualify for Hostile Fire Pay are applicable for Rhode Island purposes

#### **DECEASED TAXPAYERS**

If the taxpayer died before filing a return for 2009, the taxpayer's spouse or personal representative must file and sign a return for the person who died if the deceased was required to file a return. A personal representative can be an executor, administrator or anyone who is in charge of the taxpayer's property.

The person who files the return should write "deceased" after the deceased's name and show the date of death in the name and address space on the return

If you are claiming a refund as a surviving spouse filing a joint return with the deceased, no other form is needed to have the refund issued to you. However, all other filers requesting a refund due the deceased, must file Form RI-1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, to claim the refund.

If you are filing a RI-1040H, The right to file a claim does not survive a person's death; therefore a claim filed on behalf of a deceased person cannot be allowed. If the claimant dies after having filed a timely claim, the amount thereof will be disbursed to another member of the household as determined by the Tax Administrator.

#### WHERE AND WHEN TO FILE

Mail your return no later than April 15, 2010.

If you are claiming a refund, mail your return to: STATE OF RHODE ISLAND Division of Taxation One Capitol Hill Providence, RI 02908 – **5806** 

If you are making a payment, mail your return to:
STATE OF RHODE ISLAND
Division of Taxation
One Capitol Hill
Providence, RI 02908 – 5807

#### **EXTENSION OF TIME**

Any extension of time granted for filing an individual income tax return shall not operate to extend the time for the payment of any tax due on such return.

#### In General -

- (1) An individual who is required to file a Rhode Island income tax return shall be allowed an automatic six month extension of time to file such return.
- (2) An application must be prepared in duplicate on form RI-4868.
- (3) The original of the application must be filed on or before the date prescribed for the filing of the return of the individual with the Rhode Island Division of Taxation.
- (4) Such application for extension must show the full amount properly estimated as tax for such taxpayer for such taxable year, and such application must be accompanied by the full remittance of the amount properly estimated as tax which is unpaid as of the date prescribed for the filing of the return.

NOTE: If no payment is required to be made with your Rhode Island extension form and you are filing a federal extension form for the same period of time, then you do not need to submit the Rhode Island form. Attach a copy of the Federal Form 4868 or the electronic acknowledgement you

receive from the IRS to your Rhode Island individual income tax return at the time it is submitted.

#### WHERE TO GET FORMS

As far as practical, tax forms and instructions are mailed directly to taxpayers. Additional forms may be obtained from:

The website http://www.tax.ri.gov The Division of Taxation (401) 574-8970

#### **MISSING OR INCORRECT FORM W-2**

This is the form furnished to you by your employer, which shows the amount of your income tax withheld by them, and a copy of it must accompany your Rhode Island income tax return if you are to receive credit for such withheld tax. Only your employer can issue or correct this form. If you have not received a Form W-2 from your employer by February 15, 2010 or if the form which you have received is incorrect, contact your employer as soon as possible.

#### **ROUNDING OFF TO WHOLE DOLLARS**

The money items on your return and schedules may be shown in whole dollars. This means that you may eliminate any amount less than 50 cents and increase any amount from 50 cents to 99 cents to the next higher dollar.

### CHANGES IN YOUR FEDERAL TAXABLE INCOME OR FEDERAL TAX LIABILITY

You must report to the Rhode Island Division of Taxation any change or correction in federal taxable income or federal tax liability as reported on your federal income tax return, whether resulting from the filing of an amended federal return or otherwise. Such report must be made within 90 days after filing an amended federal return or final determination of such change by the Internal Revenue Service. Use Form RI-1040X to report any changes.

#### **RHODE ISLAND LOTTERY PRIZES**

Winnings and prizes received from the Rhode Island Lottery are taxable under the Rhode Island personal income tax law and are includable in the income of both residents and nonresidents alike.

#### **SIGNATURE**

You must sign your Rhode Island income tax return and both husband and wife must sign their joint return. An unsigned return cannot be processed.

Any paid preparer who prepares a taxpayer's return must also sign as "preparer". If a firm or corporation prepares the return, it should be signed in the name of the firm or corporation.

If you wish to allow the Tax Division to contact your paid preparer should questions arise about your return, check the appropriate box above the preparer's name.

<u>Don't need forms mailed to you next year?</u> Taxpayers who pay someone else to prepare their returns probably do not need a booklet mailed to them each year. If you do not need a booklet mailed to you next year, check the box below the signature line. Telling us that you do not need a booklet next year will help us to reduce printing and mailing costs.

#### **PAYMENTS OR REFUNDS**

Any **PAYMENT** of tax liability shown on your return to be due the State of Rhode Island must be paid in full with your return. Complete and submit Form RI-1040V with your payment.

Make check or money order payable to the Rhode Island Division of Taxation and send them

with your return to:

The Rhode Island Division of Taxation One Capitol Hill Providence, RI 02908-<u>5807</u>

An amount due of less than one dollar (\$1) need not be paid.

A **REFUND** will be made if an overpayment of income tax is shown on your return, unless you indicate on your return that such overpayment is to be credited to your estimated tax liability for 2010. No other application for refund is necessary. Please note that no refund can be made unless your return is properly signed.

If you have an overpayment to be refunded, mail your return to:

The Rhode Island Division of Taxation One Capitol Hill Providence, RI 02908-<u>5806</u>

Refunds of less than \$1.00 will not be paid unless specifically requested.

#### **ESTIMATED INCOME TAX**

If a taxpayer can reasonably expect to owe more than \$250 after allowing for withholding tax and/or credits, he or she must make estimated tax payments. Estimated tax payments are made on Form RI-1040ES that has instructions for computing the estimated tax and making payments.

#### **NET OPERATING LOSS DEDUCTIONS**

The Rhode Island Personal Income Tax law relating to Net Operating Loss deduction (NOL) has been amended by enactment of RIGL §44-30-2.8 and RIGL §44-30-87.1

Under the provisions of RIGL §44-30-2.8, the five (5) year carry back provision for years ending in 2001 and 2002 provided by the Job Creation and Worker Assistance Act of 2002 (P.L.107-147) for federal tax purposes shall not be allowed for Rhode Island tax purposes.

If a taxpayer has already filed a return claiming a five (5) year carry back, he/she must file a Rhode Island amended return on form RI-1040X.

Under the provisions of RIGL §44-30-87.1, for losses incurred for taxable years beginning on or after January 1, 2002, an NOL deduction may not be carried back for Rhode Island personal income tax purposes, but will only be allowed as a carry forward for the number of succeeding years as provided in IRS §172. A carry forward can only be used on the Rhode Island return to the extent that the carry forward is used on the federal return.

Should you have any questions regarding this matter, please call the Personal Income Tax Section at (401) 574-8829, option #3.

#### **BONUS DEPRECIATION**

A bill passed disallowing the new federal bonus depreciation for Rhode Island tax purposes. When filing a Rhode Island tax return any bonus depreciation taken for federal purposes must be added back to income as a modification on RI Schedule I, line 23D for Rhode Island purposes. In subsequent years, when federal depreciation is less than what previously would have been allowed, the difference may be deducted from income as a modification on RI Schedule I, line 24I for Rhode Island purposes.

A separate schedule of depreciation must be kept for Rhode Island purposes. The gain or loss on the sale or other disposition of the asset is to be determined, for Rhode Island purposes, using the Rhode Island depreciation schedule.

**EXAMPLE:** A company bought equipment after September 11, 2001 that cost \$10,000 and had a 10 year life and qualified for 30% bonus deprecia-

tion. Depreciation for federal purposes in the first year was \$3,700 (30% X \$10,000) + (10% x 7,000). Normal depreciation in the first year would have been \$1,000. The Company should add back on RI Schedule I, line 23D the amount of \$2,700 (\$3,700 - \$1,000). In subsequent years the company should deduct \$300 (\$1000 - \$700) each year while depreciation lasts. The deduction should be on RI Schedule I, line 24I .

If a taxpayer has already filed a return, a form RI-1040X should be filed. Questions on this procedure should be addressed by calling the Personal Income Tax Section at (401) 574-8829, option #3.

#### **SECTION 179 DEPRECIATION**

Rhode Island passed a bill disallowing the increase in the Section 179 depreciation under the Jobs & Growth Tax Relief Reconciliation Act of 2003. Section 179 depreciation will remain limited to \$25,000 for Rhode Island income tax purposes. When filing your Rhode Island tax return any additional Section 179 depreciation taken must be added back to federal adjusted gross income as a modification on RI Schedule I, line 23E. In subsequent years, when federal depreciation is less than what previously would have been allowed, the difference may be deducted from federal adjusted income as a modification RI-1040, schedule I, line 24J.

A separate schedule of depreciation must be kept for Rhode Island purposes. The gain or loss on the sale or other disposition of the asset is to be determined, for Rhode Island purposes, using the Rhode Island depreciation schedule.

#### **FAMILY EDUCATION ACCOUNTS**

(Tuition Savings Program - Section 529)

A modification decreasing federal adjusted gross income may be claimed for contributions made to a Rhode Island "qualified tuition program" under section 529 of the Internal Revenue Code, 26 U.S.C. §529. The maximum modification shall not exceed \$500, \$1,000 if a joint return, regardless of the number of accounts. Taxpayers should claim the modification on Schedule I, line 24F.

If the funds are rolled over to a Tuition Savings Plan of another state or are an unqualified withdrawal, recapture is required.

Taxpayers may also take a modification decreasing federal adjusted gross income in the amount of any qualified withdrawal or distribution from the "Tuition Saving Program" which is included in federal adjusted gross income. Taxpayers should claim the modification on Schedule I, line 24F.

#### RHODE ISLAND TAX CREDITS

Rhode Island law provides special Rhode Island tax credits which may be applied against the Rhode Island income tax. Before claiming any credits, tax-payers should refer to the Rhode Island law and/or regulations for specific requirements for each credit such as carry over provisions and the order in which the credits must be used. Taxpayers claiming credits must attach RI schedule CR and the proper form(s) and other documentation to the return; failure to do so will result in disallowance of the credit. A list of credits is available on RI Schedule CR.
