AGREEMENT FOR HISTORIC PRESERVATION TAX CREDITS 2013

THIS AGREEMENT (the "Agreement"), is made as of the day of Mann, 201 (the "Effective Date"), by and between for the control of the "Applicant"), and the Rhode Island Department of Revenue, through its Division of Taxation (the "Tax Division") (collectively the "Parties").

WITNESSETH:

WHEREAS, pursuant to RIGL §44-33.6-4(e), the Tax Division is authorized to enter into contracts of guaranty, on behalf of the State of Rhode Island, with persons, firms, partnerships, trusts, estates, limited liability companies, corporations (whether for profit or non-profit) or other business entities who have incurred, or intend to incur, Qualified Rehabilitation Expenditures for the Substantial Rehabilitation of a Certified Historic Structure, or some identifiable portion thereof, to be Placed in Service after July 3, 2013.

WHEREAS, in accordance with Chapter 33.6 of Title 44 of the Rhode Island General Laws, as amended, and the Regulations adopted by the Rhode Island Historical Preservation and Heritage Commission (the "Commission") and the Tax Division, the Applicant desires to conduct Substantial Rehabilitation of a Certified Historic Structure or, an identifiable portion thereof, located in Rhode Island, and described in Exhibit A attached hereto (the "Project") and, as a consequence thereof, to receive Historic Preservation Tax Credits ("Tax Credits").

WHEREAS, a Determination of Historic Significance (a/k/a Part 1 Certification) and a Certification of a Rehabilitation Plan (a/k/a Part 2 Certification) have been issued by the Commission to the Applicant.

NOW, THEREFORE, the Applicant and the Tax Division agree as follows:

- SECTION 1. <u>Definitions</u>. Unless otherwise defined in this Agreement, capitalized terms used herein shall have the meaning ascribed to them pursuant to Chapter 33.6 of Title 44 of the Rhode Island General Laws and the Regulations implementing same.
- SECTION 2. <u>Adequate Consideration</u>. The Processing Fee payable by the Applicant, under <u>Section 4(b)</u> hereof and the Regulations, constitutes adequate consideration for the contractual obligation of the Tax Division to provide the Tax Credits described in <u>Section 5(a)</u> hereof in accordance with the terms hereof.
- SECTION 3. <u>Effective Date of Rhode Island Law</u>. Unless otherwise indicated herein, all references herein to the Rhode Island General Laws and the Regulations shall refer to such statutes as in effect as of the date of enactment of Public Law 2013, Ch 144, Art. 22 by the Rhode Island General Assembly and to such regulations as promulgated by the Commission and/or the Tax Division to implement Public Law 2013, Ch 144, Art. 22.

SECTION 4. Duties of the Applicant.

- (a) The Applicant shall fulfill the requirements for the Substantial Rehabilitation of the Project approved by the Commission and, in addition thereto, the Applicant specifically covenants that:
 - (1) Full, Fair and Honest Disclosures Required. The Applicant has made, and will make, full, fair and honest disclosure of all material facts to both the Commission and the Tax Division during the entire Application process set forth in the Regulations.
 - (2) Rehabilitation Will be Consistent with Plan and Standards. The Applicant shall insure that the Project, when finished, will be consistent with the proposed rehabilitation plan certified by the Commission and that all completed work will meet the criteria set forth in the Regulations and the Standards of Rehabilitation incorporated therein.
 - (3) Documentation Required to Verify Costs Incurred. The Applicant will furnish, on demand and in a complete and timely fashion, any additional and detailed documentation to verify that any final costs attributable to the Substantial Rehabilitation of a Certified Historic Structure were actually incurred and furthermore, meet the criteria of Qualified Rehabilitation Expenditures. Said documentation shall include, at the minimum, the items set forth in Tax Division Regulation CR 13-16.
- (b) Processing Fee. The Applicant agrees to pay, in full, a Processing Fee equal to three percent (3%) of estimated Qualified Rehabilitation Expenditures to the Tax Division before or upon execution of the within Agreement. If full payment is not tendered to the Tax Division along with a proposed Agreement, the Agreement will not be signed and any partial payment remitted shall be returned to the Applicant. The failure to pay the Processing Fee, in full and within thirty (30) days from the Commission's Part 2 certification date, will result in the denial of Tax Credits and the Applicant's loss of place in the Queue for Tax Credits.

SECTION 5. Duties of the Tax Division.

- (a) Tax Credit. The Tax Division shall allow a Tax Credit, as set forth in Exhibit B, calculated in accordance with RIGL §44-33.6-3(a), and equal to the lesser of: (i) the estimated Qualified Rehabilitation Expenditures as submitted with this Agreement multiplied by either twenty percent (20%) or twenty-five percent (25%), as elected by the Applicant, or (ii) the actual Qualified Rehabilitation Expenditures, incurred by the Applicant and verified by the Tax Division, for the Substantial Rehabilitation multiplied by either twenty percent (20%) or twenty-five percent (25%), as elected by the Applicant. Provided further that:
 - (1) 25% Tax Credit Requires Trade or Business Use. If the Applicant elects twenty five percent (25%) of the Qualified Rehabilitation Expenditures as the Tax Credit, the Applicant acknowledges and agrees that: (i) at least twenty five (25%) percent of the total rentable area of the Certified Historic Structure will be made available for a Trade or Business, as defined in RIGL §44-33.6-2(17), or (ii) the entire rentable area located on the first floor of a Certified Historic Structure will be made available for a Trade or Business, as defined in RIGL §44-33.6-2(17).

- (2) Qualified Rehabilitation Expenses Incurred on or after July 3, 2013. The Applicant acknowledges that the Qualified Rehabilitation Expenses upon which the Tax Credit is claimed must be incurred on or after July 3, 2013. Qualified Rehabilitation Expenses incurred prior to July 3, 2013 cannot be used for calculating Tax Credits under this program.
- (3) Maximum Tax Credit Allowed. The Applicant acknowledges and agrees that the maximum amount of the Tax Credit allowed for any certified rehabilitation project, under Chapter 33.6 of Title 44 of the General Laws, is Five Million Dollars (\$5,000,000) and that this limitation applies regardless if the structure is to be completed in phases or in multiple projects.
- (4) Qualified Rehabilitation Expenditures Allowed by Certification after Audit. The Applicant acknowledges that the Qualified Rehabilitation Expenditures are allowed only if certified by the Tax Division after audit and further acknowledges that the Tax Division is authorized to conduct said audits and issue such certifications. The within acknowledgement does not abrogate or hinder the Applicant's right to contest the denial, in whole or in part, of a request to certify Qualified Rehabilitation Expenditures.
- (b) Processing Fee is Non-Refundable. The Applicant acknowledges and agrees that the Processing Fee paid pursuant to Section 4(b) of this Agreement is, pursuant to RIGL §44-33.6-4(d), non-refundable. Processing Fees will not be returned if the Applicant subsequently abandons the Project and no longer desires the Tax Credit nor will Processing Fees be returned, in part, if the Processing Fees paid with this Agreement exceed three percent (3%) of the actual Qualified Rehabilitation Expenditures incurred by the Project as certified by the Tax Division.

SECTION 6. Termination of Agreement

- (a) Grounds for Termination and Sanctions. If information comes to the attention of either the Commission or the Tax Division, at any time up to and including the last day of the Holding Period, that is materially inconsistent with representations made by the Applicant herein or in an application or supporting documentation filed with the Commission or the Tax Division, the Tax Division may terminate this Agreement and the Commission or the Tax Division may deny requested certifications or rescind certifications previously issued. In either instance, any Processing Fees paid by the Applicant will be forfeited. Upon termination, any Tax Credits issued under this Agreement hereunder shall be null and void and subject to recapture. In addition, any proceeds received from the sale, transfer or assignment of Tax Credits will be subject to taxation. This Section of the Agreement shall be applied in a manner consistent with RIGL §44-33.6-4(h) and RIGL §44-33.6-3(f).
- (b) Holding Period Defined. The term "Holding Period" as used within this Agreement shall mean twenty-four (24) months after the Commission issues a Certificate of Completed Work. In the case of a rehabilitation which may reasonably expected to be completed in phases, as described in RIGL §44-33.6-2(16), "Holding Period" shall be extended to include a period of time beginning on the date of issuance of a Certificate of Completed Work for the first phase or phases for which a Certificate of Completed Work is issued and continuing until the expiration of twenty-four (24) months after the Certificate of Completed Work issued for the last phase.

SECTION 7. Assignment of Agreement.

- (a) Assignments Allowed and Consents Required. The Applicant's right to assign this Agreement is limited and shall be governed by RIGL §44-33.6-4(g) with that section allowing such assignment only to:
 - (1) An Affiliate of the Applicant without the consent of the Tax Division, or
 - (2) A banking institution, as defined by RIGL §44-14-2(1), or a credit union, as defined by RIGL §44-15-1.1(1), without the consent of the Tax Division, or
 - (3) A person, firm, partnership, trust, estate, limited liability company, corporation (whether for profit or non-profit) or other business entity that incurs Qualified Rehabilitation Expenditures for the Substantial Rehabilitation of Certified Historic Structures or some identifiable portion thereof to be Placed in Service on or after July 3, 2013, with such assignment to be approved by the Tax Division and which approval shall not be unreasonably withheld, or
 - (4) A person, firm, partnership, trust, estate, limited liability company, corporation (whether for profit or non-profit) or other business entity that is approved by the Tax Division, and such assignment shall require the consent Tax Division.
- (b) Affiliate Defined. The term "Affiliate" is defined in RIGL §44-33.6-4(g) as any entity controlling, controlled by or under common control with such person, firm, partnership, estate, trust, limited liability company, corporation (whether for profit or non-profit) or other business entity.
- (c) Notice of Assignments. Prior written notice of any assignments of the Agreement, including those for which no consent is required, shall be given to the Tax Division pursuant to Section 13. Such notice shall include the name, tax identification number, the address, phone number, and contact person for both the assignor and the assignee and shall indicate the date of assignment.

SECTION 8. <u>Timely Progress of Project Required</u>.

- (a) Project Schedule Must Have Been Filed. The Applicant covenants that it has submitted to the Commission, along with its Part 2 Application, a reasonably detailed project timeline setting forth a schedule whereby various identifiable aspects of the Project (e.g., rough plumbing & electrical, exterior siding, interior finish work on 1st floor) will be completed and the estimated amount of Qualified Rehabilitation Expenditures that will be expended on each such aspect of the Project (the "Project Schedule"). In the event that the Project is to be completed in phases, the Project Schedule should also reflect when it is anticipated that each phase will be completed and an estimate as to the amount of Qualified Rehabilitation Expenditures that will be incurred in each phase.
- (b) "Substantial Construction" Requirement. The Applicant acknowledges and agrees that Substantial Construction on the Project must commence within twelve (12) months from the date on which the Applicant's Part 2 Application is approved by the Commission. Furthermore, upon commencing Substantial Construction, the Applicant shall file an affidavit with the Commission

attesting to the commencement of Substantial Construction together with evidence that the requirements of Substantial Construction have been satisfied.

- (c) Substantial Construction Defined. The term "Substantial Construction" is defined to mean that (i) the owner of a Certified Historic Structure has entered into a contract with the Tax Division and paid the Processing Fee; (ii) the Commission has certified that the Certified Historic Structure's rehabilitation will be consistent with standards set forth in Chapter 33.6 of Title 44; and (iii) the owner has, within five (5) years from the date this Agreement is executed, expended ten percent (10%) of the Qualified Rehabilitation Expenditures estimated in the contract entered into with the Tax Division for the Project or, if a phased project, for the first phase the Project. Substantial Construction does not occur until all three of the above requirements are fulfilled.
- (d) Project Shall Not "Remain Idle". The Applicant further covenants that within twelve (12) months from the date of Part 2 Certification, construction will commence and the Project shall not Remain Idle for any period of time exceeding six (6) months prior to the completion of the Project.
 - (e) Remain Idle Defined. The term "Remain Idle" is defined to mean that:
 - (1) Substantial work has ceased at the Project; or
 - (2) Work crews have been reduced by more than twenty-five percent (25%) for reasons unrelated to (i) scheduled completion of work in accordance with the Project's schedule, (ii) reasonably unanticipated physical conditions, or (iii) an event of force majeure; or
 - (3) The Project Schedule that was originally submitted to the Applicant to the Commission has been extended for more than twelve (12) months for reasons unrelated to (i) reasonably unanticipated physical conditions or (ii) an event of force majeure.

The Project is deemed to Remain Idle if any one of the above three criteria are met.

- (f) Force Majeure Defined. To be deemed an event of force majeure, the cause of the event must be (i) reasonably unforeseen, (ii) outside the control of the Applicant and (iii) could not be avoided by the Applicant's exercise of due care. By way of example, and not in limitation, any delays, work stoppages, or work force reductions caused by financial difficulties, labor disputes or violation of the law shall be deemed to cause the Project to Remain Idle.
- (g) Penalties for Non-Compliance. In the event that Substantial Construction is not commenced within twelve (12) months from the date on which the Applicant's Part 2 Application is approved by the Commission or if the Project Remains Idle for a period of time exceeding six (6) months, the Applicant shall forfeit all Processing Fees paid prior to that date and this Agreement for Tax Credits shall be terminated and deemed null and void without further action or documentation.
- (h) Periodic Reports Required. In order to demonstrate that the Project does not Remain Idle, the Applicant, or its successor in interest, is to submit quarterly reports, with supporting documentation, to the Tax Division on or before the fifth day of April, the fifth day of July, the fifth day of October and the

fifth day of January. Said reports shall briefly set forth the work or tasks accomplished and the number of individuals employed on the Project during the preceding quarter.

- (i) Reapplication after Forfeiture and Termination. Upon forfeiture and termination, the Applicant, pursuant to RIGL §44-33.6-7, may re-apply for Tax Credits for the Project but the Applicant acknowledges that it will be placed at the end of queue of prior applicants then awaiting the availability of Tax Credits. To reapply and be placed at the bottom of the Queue, the Applicant must submit a new application for Rhode Island Historic Preservation Tax Credits 2013 (Form HTC-13) to the Tax Division. If and when Tax Credits become available, the Applicant acknowledges that reapplication is expressly conditioned and subject to the following:
 - (1) The Applicant shall submit to the Commission a new application for Part 2 Certification, an amended Project Schedule as described in <u>Section 8(a)</u>, setting the new reasonably detailed project timeline;
 - (2) The Applicant shall submit evidence, along with its request for reapplication, establishing the reason for the delay in the commencing Substantial Construction of the Project or for the Project Remaining Idle, and shall further provide evidence, reasonably satisfactory to the Commission, that the condition or event, causing the delay in commencing the Project or causing the Project to Remain Idle, has been resolved and will not recur; and
 - (3) The Applicant will be required to remit a three percent (3%) non-refundable Processing Fee as described in <u>Section 4(b)</u>. This Processing Fee shall be calculated in accordance with the re-application submitted to the Commission and the Tax Division.

SECTION 9. Restrictive Covenants Required.

- (a) Material Alterations. The Applicant acknowledges and agrees that no Tax Credits shall be issued until the owner of the Certified Historic Structure grants to the Commission a restrictive covenant agreeing that, during the Holding Period as defined in Section 6(b), no material alterations will be made to the Certified Historic Structure (i) without the Commission's prior approval, and, if approved, (ii) such material alterations shall be consistent with the standards established by the Secretary of the United States Department of the Interior for the rehabilitation of historic structures.
- (b) Trade or Business Use. In the event that application has been made for the twenty five percent (25%) Tax Credit under this Agreement, the owner of the Certified Historic Structure shall also grant to the Commission a restrictive covenant agreeing that, for a period of sixty (60) months commencing when the Certified Historic Structure, or an identifiable portion thereof, was Placed into Service, either (i) twenty five percent (25%) of the total rentable area of the Certified Historic Structure or (ii) the entire rentable area located on the first floor of the Certified Historic Structure will be made available for a Trade or Business, as defined below.
 - (1) Trade or Business Defined. Pursuant to RIGL §44-33.6-2(17), a Trade or Business means an activity carried on for the production of income from the sale or manufacture of goods or performance of services, excluding residential rental activity.

- (2) Made Available Defined. For purposes of this Agreement, the rentable area of a Certified Historic Structure is "made available for a Trade or Business" if, during the sixty (60) months after the Certified Historic Structure, or an identifiable portion thereof, was Placed into Service, the owner of the Certified Historic Structure has:
 - (i) Consistently and repeatedly advertised and marketed the rentable area for immediate occupancy or use by means of electronic media, print media, commercial listings or directories and other channels of communication reasonably designed to reach businesses located throughout the State of Rhode Island and in communities in adjoining states; or
 - (ii) Has consistently and repeatedly rented or leased the rentable area to a Trade or Business as defined in Section 9(b)(1) above.
- (3) Documentation Required to Demonstrate Compliance. The Tax Division may require rental agreements and/or sample advertising materials and invoices to document compliance with the provisions of RIGL §44-33.6-4 and RIGL §44-33.6-2(17).
- (c) Participation in Registered Apprenticeship Program. The Applicant acknowledges and agrees that, under RIGL §44-33.6-8, if the Hard Construction Costs of the Project equal or exceed ten million dollars (\$10,000,000), Tax Credits will be allowed only if any contractor and subcontractor working on the Project has an apprenticeship program for all apprenticeable crafts that will be employed on the Project at the time of bid. Said apprenticeship programs must be registered and approved by the United States Dept. of Labor in conformity with federal regulations.
 - (1) Hard Construction Costs Defined. Hard Construction Costs shall mean direct contractor costs for labor, material, equipment, and services associated with the Project, contractors' overhead and profit, and other direct construction costs. By way of example and not in limitation, Hard Construction Costs do not include architectural and engineering fees, the cost of surveying, legal and accounting expenses, insurance premiums or development costs. Hard Construction Costs are not necessarily costs that are allowable as QREs.
 - (2) Minimum Employees Required. The requirement to have a registered and approved apprenticeship program applies to any contractor and subcontractor working on the Project that has five (5) or more employees.
 - (3) Review to Ascertain Non-Compliance. The Applicant acknowledges that there are statutory sanctions for non-compliance with RIGL §44-33.6-8 and that the Department of Labor & Training, in conjunction with the Tax Division and other agencies, may review claims that a contractor or subcontractor was exempt from the apprenticeship program requirement due to insufficient employees.
- SECTION 10. <u>Jurisdiction and Venue</u>. This Agreement shall be governed by the laws of the State of Rhode Island. Venue for all legal proceedings arising out of this Agreement, or the breach thereof, shall be located only in a court with competent jurisdiction in the State of Rhode Island.

SECTION 11. <u>Entire Agreement</u>. This Agreement contains the entire understanding between the Parties. For purposes of this Section, the Exhibits attached hereto are integral to the Agreement and made a part of the Agreement. The Agreement may not be changed orally but only by agreement in writing signed by the Parties.

SECTION 12. <u>Severability</u>. If one or more of the provisions of this Agreement should become legally invalid, the validity of the remaining provisions shall not be affected thereby. However, in such case, the Parties shall immediately agree on some other contractual arrangement which secures, as far as possible, the intended economic effect of the invalid provision(s).

SECTION 13. <u>Notices</u>. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given, if mailed by registered or certified mail, return receipt requested, or, if transmitted by other means, when received by the other Party at the address set forth herein, or such other address as may hereafter be furnished to the other Party by like notice.

- (a) It is the responsibility of the Applicant or its successor and assignees to timely notify the Tax Division of any changes in contact information, and in particular, to notify the Tax Division of any change in address to which written notices should be sent.
- (b) Notice or communication hereunder shall be deemed to have been received on the date delivered to or received at the premises of the addressee. In the case of receipt by registered or certified mail, notice or communication hereunder shall be deemed to have been received by the date noted on the return receipt. Any notice required or permitted to be given under this Agreement shall be sufficient if in writing, and if sent by registered or certified mail or delivered, postage prepaid, to the addresses below:

If to the Applicant:

If to the Tax Division:

Tax Administrator RI Division of Taxation One Capitol Hill, 1st floor Providence, RI 02908-5800

SECTION 14. Guarantee, Binding Effect and Enforceability.

(a) Guarantee of Delivery of Tax Credits. If this Agreement is not terminated pursuant to Section 6 or Section 8(f) and the Applicant has secured a Certification of Completed Rehabilitation from the Commission, the Tax Division guarantees delivery of one hundred percent (100%) of the amount of the Tax Credit, subject to audit and confirmation, to (i) the Applicant pursuant to RIGL §44-33.6-3(b)(1) as the party that incurred Qualified Rehabilitation Expenditures for the Substantial Rehabilitation

of a Certified Historic Structure or an identifiable portion thereof, as specified in the Agreement, and Placed in Service on or after July 3, 2013, or (ii) to the Assignee(s) of the Applicant pursuant to RIGL §44-33.6-3(f) and the Regulations.

- (b) If this Agreement is not terminated pursuant to Section 6 or Section 8(f) and the Applicant has secured a Certification of Completed Rehabilitation from the Commission, the Tax Division guarantees that the Tax Credit, subject to audit and certification, shall be allowed pursuant to RIGL §44-33.6-3(b) and §44-33.6-3(e) for the taxable year in which a Certified Historic Structure or an identifiable portion thereof, as specified in the Agreement, is Placed in Service; Provided that the Substantial Rehabilitation test is met for such taxable year and provided further that the Certified Historic Structure, or an identifiable portion thereof, is Placed into Service on or after August 1, 2013.
- (c) "Substantial Rehabilitation" means that the Qualified Rehabilitation Expenditures incurred with respect to the Certified Historic Structure during the twenty-four (24) month period selected by the Applicant ending with or within the taxable year, in which the Certified Historic Structure is Placed in Service, exceed the Adjusted Basis in such building and its structural components as of the beginning of such period. In the case of any Rehabilitation which may reasonably be expected to be completed in phases, the above definition shall be applied by substituting "sixty (60) month period" for "twenty-four (24) month period".
- (d) This Agreement constitutes a binding and enforceable agreement between the Applicant and the Tax Division. This Agreement and the rights granted hereunder shall be enforceable by the Parties through all remedies available at law and in equity.

SECTION 15. Limitations.

- (a) Applicability of Agreement. This Agreement applies only to a Rehabilitation of a Certified Historic Structure or some identifiable portion thereof, that: (i) is Placed in Service on or after August 1, 2013; (ii) for which an Application for Certification of a Rehabilitation Plan (a/k/a Part 2 Certification) and an Application for Determination as a Historic Structure (a/k/a Part 1 Certification) have been issued by the Commission after August 1, 2013; and (iii) for which Qualified Rehabilitation Expenses have been incurred on or after July 3, 2013.
- (b) Election of Tax Credit Program. The Applicant and/or its Assignees who elect and qualify for Tax Credits for the Substantial Rehabilitation of a Certified Historic Structure under Chapter 33.6 of Title 44 are ineligible to claim Tax Credits for Rehabilitation of that particular Certified Historic Structure under Chapter 33.1 of Title 44, Chapter 64.7 of Title 42 or Chapter 31 of Title 44. Applicants and/or their assignees must waive, in writing, any claims to tax credits under the aforementioned chapters prior to entering into this Agreement.
- SECTION 16. <u>Further Assurances</u>. Each of the Parties hereto shall promptly execute and deliver all such documents, instruments and assurances and do or cause to be done all such acts and things as are necessary or advisable fully to perform and carry out the provisions and intent of this Agreement.

- SECTION 17. <u>Captions</u>. Titles or captions of Sections contained in this Agreement are inserted only as a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Agreement or the intent of any provision hereof.
- SECTION 18. No Waiver. The failure of any Party to insist upon strict performance of a covenant hereunder or of any obligation hereunder, irrespective of the length of time for which such failure continues, shall not be a waiver of such Party's right to demand strict compliance in the future. No consent or waiver, express or implied, to or of any breach or default in the performance of any obligation hereunder, shall constitute a consent or waiver to or of any other breach or default in the performance of the same or any other obligation hereunder. No term or provision of the Agreement may be waived unless such waiver is in writing and signed by the Parties.
- SECTION 19. Executed in Counterparts. For the purpose of facilitating proving this Agreement, and for other purposes, this Agreement may be executed simultaneously in any number of counterparts. Each counterpart shall be deemed to be an original, and all such counterparts shall constitute one and the same instrument.

SECTION 20. Warranties.

- (a) Warranty of Legal Existence. The Applicant warrants that it is duly organized, chartered or formed under the laws of its State of domicile and that it has the lawful power to engage in the business it is presently conducting or will conduct in the future. The Applicant is duly licensed or qualified and in good standing in each jurisdiction, including Rhode Island, wherein the nature of the business it transacts makes such licensing or qualification necessary.
- (b) Warranty of Authority to Execute. The Applicant and the signatory of this Agreement for the Applicant both warrant that they have the power and authority to negotiate and execute this Agreement and to perform the obligations thereunder and all such acts have been duly authorized by the necessary proceedings.
- (c) Warranty of No Outstanding Delinquencies or Deficiencies. The Applicant further warrants that it does not have any outstanding delinquencies or deficiencies for taxes or regulatory fees owed to the State of Rhode Island.
- SECTION 21. <u>Disclosure and Dissemination of Reported Information</u>. The Applicant acknowledges and agrees that RIGL § 44-33.6-9 imposes certain reporting requirements for the Applicant's participation in this tax credit program and that the information reported shall be specific, definite, and attributable to an identifiable person. In addition, such specific information, including this Agreement and its terms and exhibits, pursuant to RIGL § 44-33.6-9, shall be:
- (a) Shared with or disseminated among other instrumentalities of the State, including but not limited to, the Commission, the Economic Development Corporation, designated members of both houses of the General Assembly, the governor, and the Department of Labor and Training; and
- (b) A public document made available to the public for inspection by any person and published by the Tax Administrator on the Tax Division website.

This section shall also apply to any contract voided under the provisions of this Program.

IN WITNESS WHEREOF, the parties have caused this contract to be duly executed intending to be bound thereby:

HISTORIC PRESERVATION INVESTMENT TAX CREDIT Part 1 -- Certification of Historical Significance

· · · · · · · · · · · · · · · · · · ·
RI Project Number 13-26
Property Name <u>Teste Block</u>
Property Address 84-88 Dorrance, Providence, Rhode Island
This Part 1 evaluation of significance has been reviewed by <u>M Monteiro</u> who meets Historic Preservation Professional Qualification Standards.
REASON FOR CERTIFICATION OF HISTORICAL SIGNIFICANCE (See page 2 for a brief description of the property and its significance.)
Property is individually listed in the National Register of Historic Places (Or determined to be eligible by the US Department of Interior).
Property contributes to the significance of <u>Downtown Providence Historic District</u>
Property has been designated as a historic property by Ordinance in the City/Town of, in accordance with RIGL 45-24.1 and
☐ it is more than fifty (50) years old, and
it is related to a broad theme of the community's history or is a good example of a type, style, or method of construction, and
it possesses sufficient integrity of location, design, setting, materials, workmanship, feeling and association to convey its historical significance.
THIS IS ONLY A PRELIMINARY DETERMINATION. The property appears to meet the criteria indicated, but it has not been formally listed or designated. In order to claim a RI Historic Preservation Investment Tax Credit the property must receive FINAL Certification of Significance before the rehabilitation work is completed and before the building is placed in service.

EVALUATION OF PROJECT AND CONCERNS

(Basis for decision to approve or deny the project.)

The Teste Block is a small, 4 story brick masonry liner building in the commercial center of the Downtown Providence Historic District. It is one room deep and two rooms wide with a gracious curving wood staircase between the two rooms. The proposed rehabilitation will convert it to a mixed use of restaurant and a single apartment.

The building retains significant historic fabric on the interior, although it has suffered a number of changes also. Most notably, all of the storefronts had been shortened, and received arched tops – inconsistent with historical documentation, probably in the last quarter of the 20th century. Also, because the building is so tiny, at some point a two-story CMU addition was built along the north wall to introduce a second staircase to access the second floor. When the addition was installed, windows on that facade were bricked up. Original 1/1 round-top wood windows survive above the first floor on the north and west facades. Windows on the east façade have segmental arched windows about the second floor. Masonry walls on the fourth floor had been stripped of lath and plaster by a previous owner. A nicely ornamented original wood staircase near the east end of the building survives from the first to the fourth floors, as well as some door and window casings on the upper floors.

The proposed rehabilitation will convert the first and second floors of this tiny building to restaurant use, while the third and fourth floors will be converted to a single residential unit on two floors. The original stair case will be retained. Proposed changes as part of this project scope include the following:

-Foundation excavation – structural deficiencies have resulted in buckling of the masonry façade in areas above the storefronts. The foundations will be underpinned, and a full basement will be excavated beneath the building. In order to gain access to the foundation and basement for these repairs it will be necessary to demolish portions of the lower north wall of the building.

QE.

Ţþ.

-Removal of CMU Stair addition – the CMU stair addition on the north elevation will be demolished. This addition is one bay wide and two stories high. It will be replaced by a new addition so that the portion of the north wall which is presently covered will continue to be interior space.

-Large openings will be introduced into the north masonry wall on the first floor, and to a lesser extent on the second floor. These openings are deemed necessary to expand the useable floor area on the first floor to attract a tenant. The openings will generally be confined to using existing masonry openings as the boundaries for removal. Since a certain amount of the lower masonry wall will have to be rebuilt following the structural stabilization, these sections will not be put back.

-The building will be expanded to the east with a two story addition in the location of the earlier CMU addition. The new addition will also be two stories in height, but it will extend the width of the alley way up to the Prov. Gas Building. It will be approximately two bays wide, and will have a flat-roofed façade, however the roof spanning between the two buildings will be sloped toward the PG Building behind the storefront. The sloped roof will be heavily sky-lit. There will be a narrow glass slot between the new storefront facade and the PG Building facade. The windows in the storefront will be operable (in a sliding and stacking arrangement) so that the glass can be fully open in fair weather. The proposed use for the addition, which will enclose an alleyway between the two buildings, is as dining area seating for a restaurant. It will be a two story interior space with a mezzanine that will connect to the second floor of the Teste Block. There will be a new staircase built in the northeast corner of the space (adjacent to the PGC Building stair tower) that will access the mezzanine. Masonry window openings in the east wall of the Teste Block will be cut down to the floor level to become door openings or passageways onto the mezzanine. The façade of the addition is designed to be complementary and compatible with the rhythm and spacing of the storefront and fenestration of the Teste Block, and will be clad in a stone or cast stone panel.

-Storefront Changes have been numerous over time as evidenced in historic photographs. For example, at one time the entrance to the retail portion of the Teste Block was at the norththwest corner of the building, and storefront windows along Dorrance Street were projecting box bays. Later the storefronts were flush with the façade. Presently, there are infill masonry arches in the storefront bays, with raised brick knee walls below the glass in each bay. Four bays at the south end of the west façade have been bricked up with non-historic windows. What has remained consistent is the brownstone piers between storefront windows, which are still there today — under white paint: The piers will be retained and cleaned, but may be painted again depending on their condition. New storefront infill will be created that are more in keeping with (but which will not replicate) the historic storefronts. The windows are designed as out-swinging casements that can be fully opened in fair weather.

-Windows – Several of the second floor windows have been replaced with non-historic single paned fixed sash. Other windows on the second, third and fourth floors appear to be original 1/1 and 4/4 wood double-hung originals on the street façade, and 6/6 on the alley. The

٧

drawings call for replacing the non-historic replacements with more historically correct windows. Original windows will be restored where found.

-Masonry repairs above storefronts —Due to insufficient footings and settlement of the foundation, the masonry and lintels along the west façade above the storefronts have cracked and is bulging in places. The footings will be excavated and underpinned to provide sufficient bearing, and the damaged masonry and lintels will be repaired. The masonry will be repointed, and the cracked lintels will be repaired with steel lintels, or replaced in kind.

-A New staircase from first to second floor will be added in the new restaurant addition, adjacent to the stair tower of the Prov. Gas Building. This will provide a second means of egress from the second floor restaurant, replacing the stair in the CMU addition that will be demolished.

The rehabilitation of this tiny building will be challenging. The narrow first floor footprint makes it a difficult space to lease. The current owner has decided to expand the first floor to the east by enclosing the vacant lot adjacent to it. Adding to the building in a manner that does not overwhelm the small and narrow historic façade is not easy to do. Through a preliminary consultation process with NPS and in working with the local Historic District Commission and this office, the owner and architect have compromised on their design to arrive at a facade in which the basic size and shape of the historic storefront bay has been repeated in two new bays of the glass alleyway enclosure. The enclosure is two stories high, has a glass and spandrel slot which separates the new storefront bays from the Providence Gas Building; is largely glass, with cast stone panels, and is skylit behind. The roof will slope from the Teste Block to the PGC Building, but the sloped roof will be concealed behind the façade.

Additional work that is a concern to us is the extent to which masonry walls are being removed on the north side. This is an original back wall. We understand that a certain amount of masonry will be removed to excavate the footings, but the extent of demolition appears to be solely for the creation of a speculaltive bar, for a tenant who has not yet been identified. We would much rather see the wall remain intact until an actual tenant and proposed use has been identified. Lath and plaster had been removed from the walls on the fourth floor by a previous owner, however original lath and plaster had survived and been covered over by tenants over time. The current project included the removal of lath and plaster from the lower floors. The owner has been notified that the lath and plaster must be restored to the first three floors, where it had survived until recently.

The Teste Block occupies an important corner in the Downtown Historic District. We are pleased to see that it will be rehabilitated and that the proposed expansion of the building may make it more marketable. The rehabilitation described in this application will meet the Secretary of the Interior's Standards if the attached conditions are met.

CONDITIONS THAT MUST BE MET FOR APPROVAL

- 310 c

1)Masonry Repair and Repointing - Repointing mortar must match the color, texture, strength, joint width and joint profile of the existing historic masonry. Specifications and repointing samples should be reviewed and approved by the State Historic Preservation Office

before proceeding with this work. Good quality overall and close-up color photographs of the masonry before and after repointing must be submitted with the Request for Certification of Completed Work.

11:

de .

- L. - (8<u>1</u> - 1 - (1 - 1

遊出工品

2)Matching Bricks – Rebuilding of exterior masonry walls due to structural repairs must be made with matching bricks or bricks salvaged from the demolition. Proposed new bricks and a mock-up of a rebuilt wall section must be reviewed and approved by RIHPHC staff, prior to the start of this work.

3)Window Replacement - Existing windows must be repaired rather than replaced. If these windows are deteriorated beyond repair, that condition must be adequately documented. Replacement windows must match the appearance, size, design, proportions, and profiles of the existing windows, and the glazing must be clear. Comparable detailed drawings of both the existing and any proposed replacement windows must be reviewed and approved by the State Historic Preservation Office before proceeding with any window replacement.

4)New Addition – A sample of the proposed façade material (stone or cast stone) must be submitted to RIHPHC for review and approval. If a material other than that stated in the application is proposed, the application must be amended.

5)Storefront Windows — Shop drawing details of the proposed storefront windows must be submitted for review and approval.

6)Interior Plaster - The interior of the Teste Block must be restored to a lath and plaster (or blue board and skim coat) finish on all levels except where the plaster had previously been removed on the fourth floor.
